TO: ALL PARKVIEW /WACC VOLLEYBALL COORDINATORS and AD's

SUBJECT: SCHEDULES and FORMS

The schedules are now posted on the web site under the V-Ball Tab. Please check the schedules to make sure the teams you expected to be entered are all there, that each team has 12 matches and that we did not schedule your gym when it is not available. Please note the times specifically on WEEK 6 Oct. 15 -16. This is the Saturday of the Archdiocesan Walk. We tried not to start any matches before 2:00 PM, however we had to schedule 1 match at 1:00 PM due to gym availability issues. We had to split up some of the big blocks of games which means that some teams have to play on both Saturday and Sunday occasionally.

Also attached you will find a Home Game Tracking Sheet and a GYM USAGE form. We track Home Games and Gym Usage as we do the scheduling and try to be as fair as we can to every team as far as home games and every school as far as Gym Usage, however there is a limit on what we can do. Some teams only got one Home date and others got several. There are many factors that come into play, like the number of teams in the division, gym lock out times or availability, the number of teams that your school has overall, special requests by schools or teams and so on. We have highlighted the teams that only got one home date and if possible we will try to make up for those next season. With regard to Gym Usage the main factors are the number of teams your school has and the amount of time your gym is available or locked out. Due to the double headers locking matches together it is impossible to make this totally even for every team or school, however trust me when I say that we really try very hard to be as fair as possible. I am kind of afraid this is maybe too much information and it will be misinterpreted or picked apart however we want to be as transparent as possible so I hope this gives you a little insight into the process. If you have any specific questions send us an email or give us a call.

The referee schedule and list of referee names and phone numbers are also posted on the web site. Print these out and post them at your gym so the gym supervisor can call the assigned ref if they do not show. You can also use this list to call refs to officiate your tournaments. This schedule does change slightly during the season, so do not be surprised if a different ref shows up at your gym than the one assigned, or if you call them and they tell you the schedule has changed. If a ref does not show and you can not reach them, call me on my cell phone at 262-894-0093 and I will try to be of assistance. Otherwise try to find a mutually agreed upon ref to officiate the match and call me later with their name and address so I can send them a check.

We also have a list of all matches sorted by Gym and Division. You can print out the GYM Sort to aid you in scheduling concessions, admissions and scorers. The scorers can also use this for filling in the score sheets as they list each team by color, the time they play and so on. **Keith will be sending each of you a score reporting spread sheet similar to this. You will need to fill in the scores and email it back to Keith by 9:00 PM each Sunday so he can update the standings. Let's see if we can avoid delays this year.** You will need to **mail, FAX or email the scoresheets to Ken Lewicki** each weekend so we have them to check in case of a mix up. Make sure you include each schools NAME AND COLOR and don't mix them up.

Rosters are Due before the first match. Please FAX, Email or mail them to Ken Lewicki at 13331 W. North Lane, New Berlin, WI 53151. klewicki3@yahoo.com Include any Waivers with the rosters.

If any questions or problems come up during the season please email us immediately. If it is regarding refs, be specific so we can discuss the situation with that ref and either correct what they are doing wrong or correct your understanding of the situation. Lets all hope for a successful season.
