**TO: ALL POTENTIAL PARKVIEW VOLLEYBALL OFFICIALS**

**FROM: ROGER LEWICKI - PARKVIEW REFEREE ASSIGNOR**

Enclosed you will find a reffing availability form for the upcoming Parkview volleyball season. If you know of someone who might be interested if reffing in the fall please feel free to forward it to them. If all the basic info is the same as last year, do not assume I have it all on file and leave it blank. Fill it in as all my files from last year are filed away and I refer to these forms frequently throughout the season for calling people, mailing checks, etc. If possible, fill out the form & email it back to me rather than mailing it, however if you prefer to fill it out and mail it to me, that is fine too.

Even though the economy is still in rough shape and our schools are struggling financially, we have decided to increase the team fees from \$225 per team to \$250 per team and **increase the referee pay by \$2 per match. The pay scale for 2010 will be \$22 per match for WIAA or USA certified refs and \$19 per match for first year refs or non-certified refs.** This is a 10% increase, however we are doing this because we have not raised the ref pay since 2005 and this gets us in line with USA, WACC and Metro. Please fill in your WIAA License Number in the space provided on the attached form and your anticipated level this coming season. USA refs just fill in your level to date. If you were WIAA certified in the past and do not keep up your certification this coming season you will be paid \$19 per match. I check with the WIAA for who is currently certified before I issue checks.

Keep in mind that if you sign up for 9AM - 1PM on Saturday (which is 4 matches) I may have to schedule you until 2 or 3 PM that day if the gym has 5 or 6 matches scheduled, as I don't like to break this up into two 2 or 3 match slots. If we have 7 or 8 match days, I typically will break this up into a 4 match and 3 (or 4) match slot with 2 different refs. **If you must finish by 1:00 pm, please indicate that on the availability form.**

If I do not have your form returned to me by the **Deadline of Friday July 23** I will assume you are not interested. If you reffed for me in the past and do not intend to ref this year, please let me know so I know you are not returning. If you call me or send it in late, you will not get any matches unless I have slots that I could not fill with the refs who got their forms in on time. Thanks for your prompt response.
